Legislation Title: AN ORDINANCE relating to Seattle Public Utilities; accepting easements granted to the City of Seattle for installation, operation, and maintenance of water mains, fire and domestic water services, water service vaults, hydrants, water facilities, water supply pipelines, water meters, access and appurtenances necessary for water utility purposes at various locations in Seattle and unincorporated King County, Washington; placing the easements under the jurisdiction of Seattle Public Utilities; and ratifying and confirming certain prior acts.

Summary of the Legislation: This ordinance would authorize the City of Seattle to accept 51 utility easements for property acquisitions necessary to meet the requirements of the grantors' property developments.

Background:

The Seattle Department of Planning & Development (DPD) may require installation of water mains, fire and domestic water services, water service vaults, hydrants or other water facilities for property developments. The property rights accepted by the City pursuant to this ordinance are for utility installations on private properties required for DPD project approval.

Please check one of the following:

X **This legislation does not have any financial implications.**

 This legislation has financial implications.
